

We are proud to announce that our Faith Formation children will participate in The Children's Rosary, beginning in October 2026. The Children's Rosary will take place once a month on Sundays before the 10:30 AM Mass. We warmly invite all our parishioners and families to join

What is The Children's Rosary? The Children's Rosary is a lay prayer movement that establishes Rosary prayer groups composed of children and led by children. The primary age range is 4–14 years old, although children of all ages who wish to participate are welcome. Children with disabilities, regardless of age, are especially encouraged to be part of this prayer movement. Adults are also welcome and encouraged to attend. They serve as special “guardian angels” of The Children's Rosary, supporting and encouraging the children in their prayer. Through the prayer of the Rosary, Our Lady guides our young people while bringing grace and holiness to our families and parish community. We look forward to praying together and growing in faith as a parish family.
